643 - Aussie Rules Guernsey

Modern Style and Fit

Scalloped hem and shaped sides creates a modern players fit.

Hawks Neckline

Hawks neckline for a modern fit and look.

Neck Reinforcement

Bar tacking is used at front of neck to increase strength.

Specialised Core Spun Threads

Specialised core spun threads with high tensile strength are used throughout the garment. This adds extra strength to all seams.

NEW!

Titan Fabric

- 100% Polyester
- 270gsm weight fabric ideal for strength, durability and cool soft comfort
- Easy care fabric

Shorts

Elastic waist shorts with drawstring have a modern and comfortable fit.

sublimation

Self Fabric Trims

Armhole and collar trim is self fabric which allows for perfect colour match.

Strengthened Sewing

Armholes have offset seam and bar-tacked seam stitching for extra strength on armhole openings.

Reinforcement Tape

Reinforcement tape in all side seams and shoulder seams means garments will not stretch out of shape or be torn easily.

Outline Stitching

Outline stitching is sewn on the outside of the garment using core spun threads which adds extra strength to all side seams.
